

Friends of the California State Fair

Turn a great day at the California State Fair into a perfect year round event. Volunteer to be one of our prestigious members who are what make the California State Fair what it is today... BIG FUN! Whether you're into arts and crafts, home and garden, or raising animals of all kinds... you will find a volunteer position that will fit your interests.

Who are the Friends of the California State Fair?

We are a group of BIG FUN! volunteers who enjoy the atmosphere of the California Exposition & State Fair. Our mission is to promote public awareness and provide support for the many community events and activities held on the grounds of Cal Expo.

Volunteers serve as hosts at special events and act as ambassadors of the State Fair and of Cal Expo. We provide assistance for the State Fair judging, staff information booths and help out at many special programs. We also act as docents for the farm tours that delight young visitors from elementary schools in our surrounding community. We provide assistance with the Friends of the California State Fair Scholarship Program, the annual Gala and the Prestigious California's Grape and Gourmet, which has become one of

northern California's best wine and food events.

We want you!

While we provide a major role at the California State Fair and many of the wonderful events that are held at Cal Expo, we'd love to expand our program. We want you! We love people who are excited about the Fair and who look forward to assisting the many new and existing events that are held here. We are looking for friendly people who like helping others, who appreciate the enthusiasm, camaraderie and pursuit of excellence that brings people from all over California to one place... the great California State Fair.

How to sign up.

Complete and mail the form to begin your Friends of the California State Fair BIG FUN! adventure. You receive a signature logo item, subscription to the Golden Showcase newsletter, free pass to the State Fair (restrictions apply) and also the gratitude of knowing you are doing something good for the community and the State Fair. You will also receive numerous invitations to be part of annual events and social gatherings.

We look forward to hearing from you and welcoming you on board with the Friends of the California State Fair.

YES! I would like to become a member of the Friends of the California State Fair
